 Fax: (610) 336-6603  
 E-mail: Ganisrael@aol.com

Dear Parents,

At the Gan Israel, office preparations are under way for another exciting summer season. Our camp is committed to providing your child with a well-rounded and highly stimulating program in a Jewish atmosphere, under the guidance of a devoted and professional staff.

You had expressed interest in Camp Gan Israel. The phones are ringing and spaces are filling up, so if you do intend to register your child, I would like to give you an opportunity to do so. I am always available to discuss any questions you may have about camp.

Our special activities include Outdoor Nature Program, art, theatre, swimming, dance, baking, food decorating, Shabbat Party, sports and weekly field trips to children's favorites. There will be late-night activities for appropriate age groups.

Enclosed are the registration & health forms, which should be filled out *completely*. To ensure your child a space in camp, please return the forms by mail to our camp office. The balance of tuition must be paid by June 1, 2011.

Early registration is vital. We have outstanding facilities, but limited space. We do not want to turn anyone away, so ensure your child a space and register today.

A letter with detailed information on the programs & calendar of the full schedule will be forthcoming in the mail before the start of camp. If you need more information, please feel free to call. I will be happy to speak to you or meet with you and your child to answer questions and address any concerns you may have.

If you are applying for more than one child, please photocopy the registration and health form & complete a form for each child.

Upon receipt of your registration form, we will process it on a first-come-first-serve basis.

We look forward to seeing you this summer.

Sincerely,

*Devorah Halperin*

Camp Director
